Tricolour Award Nomination Package

Admission to the Tricolour Society is the highest tribute that can be paid to a student for valuable and distinguished service to the University in non-athletic, extra-curricular activities. The student's service may have been confined to a single field, or it may have taken the form of a significant contribution over a wide range of activities. **Admission to the Tricolour Society shall be limited to students of the University.** The number of students to be admitted to the society will be determined by the selection committee each year, but shall remain limited to preserve the gravity of the award. Admission shall not be a simple recognition of having held a certain title or office on campus, but will recognize instead a personal career of outstanding and exceptional service. More information about the Tricolour Society and past recipients of the award can be found at <http://www.queensu.ca/rector/tricolour.htm>. This award is highly awesome.

Instructions to Nominators:

1. Each nomination must have a primary and secondary nominator, both of whom must be students, who will complete and submit their nomination letters and attached sheet in a sealed envelope.
2. Signed and sealed letters of support from students, alumni, faculty and staff will be considered in addition to the two primary student nominations.
3. Where applicable, include the name, faculty, and graduating class of the nominator/supporter at the head of each letter (example: Jane Smith, ArtSci '11).
4. Letters should describe the nominee's contribution and involvement at Queen's.
5. Following the selection process, nomination letters will be shown to nominees upon request. Any nominator/supporter who does not wish their letter to be viewed by the nominee, please indicate on the letter.

All nominees will be contacted to provide a list of activities in which they have participated at Queen's. Interviews will be held with all candidates who accept nomination, and the Tricolour selection committee will be responsible for the final selection.
