CANADIAN FEDERATION OF STUDENTS LOCAL 27

To the students and faculty of universities in Iran:

The Executive of the 4,000-member Society of Graduate and Professional Students at Queen's wishes you to know that we are deeply concerned for the well-being of our academic colleagues in Iran. With Student's Day approaching on 16 Azar (December 7), we hope that current disputes over the recent presidential election in Iran can be settled peacefully. We would like all students and faculty at universities in Iran to know that we in Canada are concerned for your welfare and human rights and honor the courage of all Iranian students who have stood up against oppression in the past. To this end, we send our warmest greetings, our deepest respect, and our most sincere hopes for peace to our university colleagues in Iran. Please know that you are not alone, and that many around the world are watching and hoping for a peaceful and positive outcome.

Sincerely,

Queen's SGPS Executive
