SGPS Soon to Hire Staff

This is just a heads up that the SGPS will soon be hiring for all staff positions. Not only will we be hiring for the same positions we have in the past, we are also opening up some brand new positions. In the near future we will post all the information you need. In the meantime, think about joining the SGPS as we expand to meet the new needs of the Society. It's a great way to get involved and make some extra \$\$.

Insert Your Story Here

Do you have a story that you would like to share? It doesn't really matter what it is about as long as you write it! We would love to publish your story about graduate/professional life at Queen's. Write about what you and your friends did, write about your lab or brag about an award one of your friends has received. It's time for us to hear from you!!

Send an e-mail to the Communications Commissioner if you have an idea. It doesn't have to be long, it doesn't have to be dense, it just has to be what you make it. It really is that simple!!

E-mail the Communications Commissioner (communications@sgps.ca) for more info.
