Global Excel will make every provision for Your medical condition when choosing and arranging the mode of Your transfer or return and, in the case of a transfer, when choosing the Hospital.

3. **Limitation of Benefits:** Once You are deemed medically stable to return to Canada (with or without medical accompaniment) either in the opinion of the Medical Director of Global Excel or by virtue of discharge from a medical facility, Your Emergency will be deemed to have ended, whereupon any further consultation, treatment, recurrence or complication related to the Emergency will no longer be eligible for coverage under the Policy.

5. **Subrogation:** If You suffer a loss covered under the Policy, the Insurer is granted the right from You to take action to enforce all Your rights, powers, privileges, and remedies, to the extent of benefits paid under the Policy, against any person or organization which caused such loss. Additionally, if "no fault" benefits or other collateral sources of payment of medical expenses are available to You, regardless of fault, the Insurer is granted the right to make demand for, and recover, those benefits. If the Insurer institutes an action it may do so at its own expense, in Your name, and You will attend at the place of loss to assist in the action, in addition to providing the Insurer all information, cooperation and assistance the Insurer may reasonably require. If You institute a demand or action for a covered loss, You shall immediately notify the Insurer so that the Insurer may safeguard its rights.
- Notwithstanding any provisions in the Policy to the contrary, the Insurer's rights under this paragraph shall be governed by the laws of the state, province, or district where the loss occurs, or where benefits under the Policy are paid.

- You shall take no action after a loss that will impair the rights of the Insurer set forth in this paragraph and shall do all such things as are necessary to secure such rights.
6. **Other Insurance:** The insurance provided under the Policy is supplementary. If, at the time of loss, You have Other Insurance, the Insurer will pay covered expenses only in excess of those covered under any valid and collectable Other Insurance. If, however, that Other Insurance is also "excess only", the Insurer will coordinate payment of all eligible claims with that other insurer. All coordination follows the Canadian Life and Health Insurance Association guidelines.
7. **Rights of Examination:** In the event of death, the Insurer will require that a death certificate be filed with the claim. Furthermore, the Insurer has the right to request an autopsy and review any autopsy report, if not prohibited by law.
